French as a Second Language Policy
2017-2018

Policy and Procedures:

- The Local President will send an email to the Stewards with the information and application for ETFO's French as a Second Language Initiative funding. The information will include a deadline for submission.

- A member seeking FSL funding from the Local will submit the application to the Local President.
- To ensure equity across the Local the money will be allocated to a member from the Southern area if it is an odd year (i.e. 2013) and a member from the Northern area if it is an even year (i.e. 2014).
- The President and Vice President will review the applications and select the applicant to receive the funding on a fair and equitable basis.
- The Local Treasurer will consult with the successful candidate as to how payment will be disbursed.
- Should no one apply from the designated area, the money will be allocated to a member from the other area.
