

## Local Ontario North East Earth Day Incentive Funding Policy

### Policy and Procedures:

- The Local President will apply for \$300 from ETFO's Earth Day Incentive Funding. Local ONE will match the funds if approved.
- Three schools from the list below will be notified that they are the recipient of the \$200. If the school declines the money, the next school on the list will be contacted.
- Suggestions for funding: birdhouses (or materials to build the birdhouses), birdbaths, trees, shrubs, flowers, seeds, gardening supplies etc.
- The school steward will forward all receipts to the Local ONE President who will issue a Local cheque to cover the costs. **Receipts must be submitted by mid-April.** The President will submit the application to ETFO for reimbursement.
- To ensure equity across the Local the list below outlines the order of schools to receive the funding:
